I. Response to Rejections Under 35 USC Section 103(a):

At page 2 of the Office Action, claims 1-29 are rejected under 35 USC 112, second paragraph, as being indefinite for failing to point out and distinctly claim the subject matter which the Applicant regards as the invention. In response to the rejection, the Applicant has rewritten claim 1 to point out that the requests for content are issued "according to a publication schedule denoted in a publication profile". Support for the amendment to claim 1 can be found at page 3, line 30 through page 4, line 1, at page 16, lines 12-17, and in Figure 13.

Additionally, the Applicant has rewritten claim 22 to recite "receiving, from the first content provider, content that is unlikely to change over a set period of time, and receiving, from a content provider providing time-sensitive material, time-sensitive content". Other amendments to claim 22 have been made in order to provide additional clarity to the subject matter that the Applicant's regards as the invention. Support for this amendment can be found at page 16 lines 18-22.

Accordingly, the Applicant believes that the rejection to the claims under 35 USC section 112 has been overcome.

II. Additional Fees:

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully Submitted,
